

New York City (Brooklyn, Queens & Staten Island)

Save energy at home – residential natural gas rebate form

Save money, improve comfort and ensure a cleaner environment with energy savings offers for residential natural gas heating customers from National Grid.

- **High-Efficiency Heating Equipment**
- **Indirect Water Heater**
- **7-Day Programmable Thermostats**
- **Boiler Reset Controls**

TO APPLY:

To apply for a National Grid energy efficiency rebate, customers should first consult with a qualified heating contractor or plumber to obtain an estimate and then view the available rebate funds at www.smartenergy-zone.com/nationalgridny. National Grid offers customers two ways to apply for energy efficiency rebates.

Customers may complete the energy efficiency rebate application online and upload their paid contractor receipt - it is that easy. The second option is for customers to reserve their rebate funds online. Within 60 days of reserving your funds, customers will need to mail their rebate application form (please include your National Grid web submission ID number) and the contractor paid invoices to the address listed on rebate form.

Additional rebate information may be found on the web site above.

Customers without online access may call 1-877-316-9491.

1. Refer to www.ahridirectory.org to determine if your equipment meets the program requirements. Equipment must be installed by a qualified professional.
2. All required information must be either submitted online or postmarked within 60 days of your rebate reservation, but no later than 12/31/14.
3. To help process your rebate application (either online or by mail,) please include the following items:
 - **Completed and signed application**
 - **Copy of a paid-in-full and dated work order/invoice/receipt that identifies:**
 - **The complete equipment manufacturer and model number(s)**
 - **Total installed cost**
 - **Contractor name and address**
 - **Indicate "payment made in full" or "zero balance"**

Additional recommended document to be submitted:

- A copy of the equipment's Air-Conditioning, Heating and Refrigeration Institute (AHRI) certificate (if applying for a boiler or a furnace rebate). Download a certificate from www.ahridirectory.org or ask your contractor for one.

To view an example of an invoice, please visit <https://www.smartenergy-zone.com/nationalgridny/>.

4. Mail to: New York High-Efficiency Heating Equipment Rebate (NYC)
Offer# H446536
P.O. Box 540064
El Paso, TX 88554-0064

PROGRAM DETAILS

To track the status of your rebate, please visit <https://www.smartenergy-zone.com/nationalgridny/TrackYourRebates.aspx>. Equipment must be installed from 1/1/14 to 12/31/14 and rebate application must be submitted online or postmarked within 60 days of your rebate reservation, but no later than 12/31/14. Due to limited funding, the program may be terminated at any time.

PRODUCT	REBATE AMOUNT	PRODUCT	REBATE AMOUNT
Hot Water Boilers		Water Heater	
Condensing boiler AFUE* ≥ 90% rating	\$1,000	Indirect water heater attached to a natural gas ENERGY STAR® hot water boiler with ≥ 85% AFUE*	\$300
Hot water boiler AFUE* ≥ 85% rating	\$500		
Steam Boilers		Boiler Reset Control	
Steam boiler with electronic ignition AFUE* ≥ 82% rating	\$500	Add on unit attached to a forced hot water boiler	\$100
Furnaces		Programmable Thermostats	
Furnace AFUE* ≥ 94% rating & ECM± motor	\$600	Contractor or self-installed 7-day programmable thermostats. Maximum two thermostats per gas account.	\$25/ea
Furnace AFUE* ≥ 92% rating & ECM± motor	\$400		
Furnace AFUE* ≥ 90% rating	\$200		

* AFUE = Annual Fuel Utilization Efficiency
± ECM = Electronic Commutated Motor

The Company will provide rebates for qualifying new (not used), qualifying heating, water heating, thermostat or boiler reset control equipment.

Refer to www.ahridirectory.org to determine if your furnace, boiler, or indirect water heater meets the program requirements. Additional energy efficiency services may be available from the New York State Energy Research and Development Authority. For more information, visit www.GetEnergySmart.org. Customers are not eligible to receive financial rebates for the same eligible measure from NYSERDA and National Grid. Long Island offer available to customers that reside in Nassau/Suffolk counties and the Rockaway Peninsula where natural gas is available. National Grid high-efficiency equipment rebates are available for both existing gas heating and oil to gas conversion customers, regardless of equipment manufacturer.

Complete all the fields for the measure(s) you are installing. Include this same information on your invoice.

EQUIPMENT INFORMATION

TYPE(S) OF HEATING AND WATER HEATING EQUIPMENT INSTALLED	INSTALLED COST	MANUFACTURER	MODEL NUMBER	AFUE RATING	TOTAL BTU INPUT	TOTAL GALLONS (water heaters)	INSTALL DATE	QUANTITY INSTALLED	ANTICIPATED TOTAL REBATE
Condensing Boiler AFUE ≥90% rating									
Non-condensing boiler AFUE ≥85% rating									
Steam Boiler - electronic ignition AFUE ≥82% rating									
Furnace AFUE ≥94% rating & ECM motor									
Furnace AFUE ≥92% rating & ECM motor									
Furnace AFUE ≥90% rating									
Indirect water heater attached to natural gas Energy Star® hot water boiler with AFUE ≥85%									

If applying for a thermostat or outdoor boiler reset control rebate: AGE OF REPLACED HEATING UNIT: _____ Years

TYPE OF HEATING SYSTEM: Furnace Steam boiler Hot water boiler

TYPE OF HEATING/COOLING SYSTEM: Gas heat, central air conditioning Gas heat, no central air conditioning

TYPE(S) OF CONTROLS EQUIPMENT INSTALLED	INSTALLED COST	MANUFACTURER	MODEL NUMBER	BTU OF HEATING SYSTEM	INSTALLED AT THE TIME OF A HEATING SYSTEM REPLACEMENT OR CONVERSION?	INSTALL DATE	QUANTITY INSTALLED	ANTICIPATED TOTAL REBATE
Thermostat <input type="checkbox"/> Contractor-installed <input type="checkbox"/> Self-installed					<input type="checkbox"/> Yes <input type="checkbox"/> No			
<input type="checkbox"/> Boiler reset control					<input type="checkbox"/> Yes <input type="checkbox"/> No			
Thermostat <input type="checkbox"/> Contractor-installed <input type="checkbox"/> Self-installed					<input type="checkbox"/> Yes <input type="checkbox"/> No			
<input type="checkbox"/> Boiler reset control					<input type="checkbox"/> Yes <input type="checkbox"/> No			

To qualify for the rebate, programmable thermostat(s) must control the home's primary heating system.

WORK COMPLETION AND INCENTIVE VALIDATION

I hereby affirm the above energy efficiency equipment has been installed. I acknowledge that all work is subject to on-site work verification and inspection as may be required by federal, state and local law and by National Grid. I am aware of and agree to the Terms & Conditions stated on the reverse side of this application and am attaching copies of itemized proofs of purchase and invoices for the installation performed. I hereby authorize the Company to release my energy use information to Energy Efficiency Program Sponsors (EES) and System Benefit Charge (SBC) program administrators and/or its designee. I understand that such information will be kept confidential and used only for the purpose of determining program eligibility and energy savings.

New York City (Brooklyn, Queens & Staten Island)

Equipment must be installed from 1/1/14 to 12/31/14 and rebate application must be uploaded or postmarked within 60 days of reservation, but no later than 12/31/14 to be eligible for qualified rebates(s) contingent upon availability of funds. One account number per form. Some restrictions may apply. Rebate offers are subject to change without notice and the program may be terminated due to funding constraints at any time. New York City offer available to customers that reside in Queens, Brooklyn and Staten Island where natural gas is available. Rockaway Peninsula residents receive rebates under the Long Island program. National Grid high-efficiency equipment rebates are available for both existing gas heating and oil to gas conversion customers, regardless of equipment manufacturer.

TERMS AND CONDITIONS

- 1. Rebates** - Subject to these Terms and Conditions, this program is offered by KeySpan Gas d/b/a National Grid ("the Company" or "National Grid"). The Company, through its contractual vendor, Helgeson Enterprises (the "Vendor"), will pay rebates to eligible customers in the Company's Service Territory, for the purchase and installation of the equipment/products described in this literature and within this application.
- 2. Customer Eligibility** - Rebate programs are available to existing National Grid gas heating customers and customers that convert from oil to gas heat. Long Island offer available to customers that reside in Nassau/Suffolk counties and the Rockaway Peninsula where natural gas is available. Some restrictions may apply. Rebate offers are subject to change without notice and the program may be terminated at any time due to funding constraints. Check www.nationalgridus.com/energyefficiencyservices frequently for program updates or installation extensions. Customers are not eligible to receive financial incentives/rebates for the same eligible measure from NYSERDA and National Grid.
- 3. Program Length** - Equipment must be installed from 1/1/14 to 12/31/14 and rebate application must be uploaded or postmarked within 60 days of reservation, but no later than 12/31/14 to be eligible. Residential customers who do not have online access must call 1-877-316-9491.
- 4. Post-Installation Work Verification** - The Company reserves the right to perform a verification of the specified installation. If the Company and/or Vendor determines that the equipment was not installed in a manner that is consistent with program guidelines, the Company and/or Vendor may require that the installation be modified before making any rebate payments. The cost of such modifications is the responsibility of the customer.
- 5. Energy Use Information** - I hereby authorize the Company to release my energy use information to Energy Efficiency Program Sponsors (EEPS) and System Benefit Charge (SBC) program administrators and/or its designee. I understand that such information will be kept confidential and used only for the purpose of determining program eligibility and energy savings.
- 6. Installation Requirements** - All installations of heating and water heating equipment and boiler reset controls must be completed in conformance with state and local code requirements by qualified contractors.
- 7. Proof of Proper Installation** - As part of his/her application, the Customer is required to submit dated copies of all paid invoices documenting the installation (including all materials, labor and equipment invoices) which reflect the actual cost of purchasing and installing the equipment. If label is unavailable, manufacturer specification sheet with model number matching invoice may be substituted.
- 8. Indemnification** - Customer shall defend, indemnify and hold harmless the Company and its officers, directors, employees, agents, servants and assigns from and against any and all losses, claims, demands and/or liability for damage to property, injury or death of any person, or any other liability incurred by the Company, including all expenses, legal or otherwise, arising out of or related to the equipment or installation, except to the extent attributable to the negligence of Company. In no event shall Company's liability to Customer exceed the rebate amounts.
- 9. Limited Scope Review** - The scope of review by the Company and the Vendor and their Inspector of the installation of the equipment is solely to determine whether rebates are payable. It does not include any kind of safety or code review and should not be relied upon as one.
- 10. Rebate Amounts** - The Company will provide rebates for new (not used), qualifying heating, water heating, thermostat or boiler reset control equipment, up to rebate amount indicated in the program literature and within this application. Rebates cannot exceed the purchase price of the equipment.
- 11. Payment** - The Company, through the Vendor, expects to make rebate payments to eligible customers within 6-8 weeks of a satisfactory work verification. The customer must refund any rebate made to the extent the contractor or equipment does not satisfy program requirements.
- 12. No Warranties** - The Company and the Vendor do not endorse, guarantee or warrant any particular contractor, manufacturer or product installation. The Company and the Vendor do not make any representation of any kind regarding the results to be achieved by the equipment or the adequacy or safety of such equipment.
- 13. Changes in the Program** - Equipment Incentive Program/Tax Liability Conditions and details of the program are subject to change without prior notice and rebate offers may increase or decrease over time. The Company reserves the right to modify or terminate the program without notice. Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes. The Company is not responsible for any tax liability which may be imposed as a result of receipt of the rebate by the Customer.
- 14. Contractor Insurance** - The Company is not responsible for any damage that may be caused by or arise out of an installation of any equipment. The customer is responsible for selecting contractors who are qualified and carry adequate insurance coverage.
- 15. Eligible Measures** - Only measures included on this application are eligible for rebates. The company will not provide rebate payments for non-eligible equipment, substitutions or used equipment. The Company has the right to reject any rebate application with ineligible equipment not indicated on this form.
- 16. Payments Assignable to a Third Party** - (a) The Customer may request that the incentive be paid directly to a third party by so indicating in the Program application. Notification of third-party payment will be sent to the Customer upon submission of the Program application for the purpose of Customer confirmation. (b) If no payment choice is made, the Company will send the incentive payment directly to the Customer at the address indicated in the Program application.

National Grid is one of the largest investor-owned energy companies in the world. In the US, we serve nearly 5 million electric and 3.4 million gas customers in Massachusetts, New York and Rhode Island. Save energy and money with our award-winning efficiency programs. Visit www.nationalgridus.com/energyefficiencyservices. Additional energy efficiency services may be available from the New York State Energy Research and Development Authority.
