- b. provide NATIONAL GRID with 60 days' prior written notice, if ESCO merges into or consolidates with any other entity, or sells all or substantially all of its assets, and NATIONAL GRID shall have the right to terminate this Agreement on the effective date of the merger, consolidation or sale;
- c. provide NATIONAL GRID with 30 days' prior written notice of any change in ESCO's state where it is located, incorporated or is registered, as the case may be;
- d. not change its corporate name without providing NATIONAL GRID with 30 days' prior written notice; and
- e. not grant any security interest in the Collateral except to NATIONAL GRID.

6.2 ESCO Cooperation. ESCO agrees to cooperate with NATIONAL GRID to the fullest extent possible under the law and to use its best efforts to facilitate the transactions under this Agreement. Such cooperation shall include, but not be limited to, supplying NATIONAL GRID with all information and assistance that may be necessary or helpful to NATIONAL GRID in establishing the accuracy of any Accounts Receivable or in correcting any errors.

6.3 ESCO Document Delivery. ESCO hereby agrees to promptly execute and/or deliver to NATIONAL GRID any and all Documents NATIONAL GRID deems necessary to evidence NATIONAL GRID's first priority security interest in the Collateral and satisfy ESCO's obligations under this Agreement. ESCO authorizes NATIONAL GRID to file and/or record Documents, at ESCO's sole cost and expense, including Financing Statements deemed necessary by NATIONAL GRID to perfect its interest in the Collateral under the UCC and put third parties on notice of NATIONAL GRID's interest in the Collateral. ESCO further agrees that NATIONAL GRID may execute, file and/or record any such other documents at ESCO's sole cost and expense, if required, to evidence NATIONAL GRID's interest in the Collateral, for and on behalf of ESCO.

6.4 Financing Statements. ESCO agrees to use its best efforts to:

- a. obtain any and all necessary amendments or terminations of financing statements, filed by any third party ("Third Party Financing Statements") before the commencement of the Term of this Agreement against ESCO as a debtor in the Collateral contemplated under this Agreement, specifically obtaining a release of the Collateral; and
- b. ensure that any and all Third Party Financing Statements filed subsequent to the commencement of the Term of this Agreement shall expressly except from the description of collateral the Collateral and specifically reference this Agreement to ensure continuation of NATIONAL GRID's first priority perfected security interest in

the Collateral.

6.5 Conditions Precedent. The commencement of the Term of this Agreement and the obligations of ESCO and NATIONAL GRID under this Agreement are subject to the satisfaction of the following conditions precedent:

- a. ESCO shall deliver the information in (i)-(iii) below to NATIONAL GRID to the attention and address of its representatives in Section 6.6 prior to the commencement of the Term of this Agreement. ESCO shall provide the following:
 - (i) complete list of any liens in favor of a third party, as creditor against ESCO, as debtor;
 - (ii) copies of all documents evidencing such liens including any Third Party Financing Statements filed against ESCO as a debtor;
 - (iii) a certified copy of a lien search of ESCO from the UCC filing offices under the UCC or a report that is complete and satisfactory to NATIONAL GRID, such that NATIONAL GRID is satisfied that any Collateral that has been previously pledged by the ESCO, whether recorded or not, has been fully discharged and released, and that no lien currently is recorded against the Collateral. An uncertified lien search obtained from an internet based website from ESCO's state of organization shall not satisfy requirements under this section. The lien search obtained shall be at ESCO's sole cost and expense; and
 - (iv) An original or certified copy of a certificate of good standing with respect to ESCO issued by the Secretary of State of ESCO's jurisdiction of organization and, if such jurisdiction is not the State of New York, then an original certificate of authority evidencing that ESCO is duly qualified and in good standing as a foreign organization in the State of New York.
- b. If the information provided by ESCO under Section 6.5 (a)(i)-(iii) is not, in the opinion of NATIONAL GRID, satisfactory, complete and acceptable in form and substance, and ~~such~~ information does not provide adequate evidence that NATIONAL GRID's interest in the Collateral is superior to any third party's interest, then NATIONAL GRID shall provide written notice to ESCO that the Term of this Agreement shall not commence and this Agreement shall be null and void.

6.6 Notification. In addition to the requirements in Section 6.5, ESCO agrees to provide copies to NATIONAL GRID of any Third Party Financing Statements filed after the commencement of the Term of this Agreement prior to the filing of any such statements to allow NATIONAL GRID to review such Third Party Financing Statements. After its receipt of the Third Party Financing Statements, NATIONAL GRID shall have three Business Days to object to such statements on the ground that the execution of the Financing Statement would grant a security interest in the Collateral or otherwise affect NATIONAL GRID's security interest in the Collateral. ESCO shall deliver the Third Party Financing Statements by a nationally recognized courier service and by facsimile to NATIONAL GRID at the following address and facsimile numbers:

National Grid
175 East Old Country Road
Hicksville, New York 11801

ATTENTION: MANAGER, SUPPLIER SERVICES
Facsimile No. (516) 545-3252

Third Party Financing Statements delivered by facsimile shall be deemed given on the day of receipt provided that the statements delivered by a nationally recognized courier service are received by NATIONAL GRID before noon New York time on the next Business Day following the receipt of the facsimile.

- 6.7 Suspension of Tariff Delivery Service.** During the Term of this Agreement, ESCO assigns to NATIONAL GRID any and all rights to request NATIONAL GRID to suspend its Tariff delivery service or collect Accounts Receivable and ESCO waives all of its rights to exercise these activities without NATIONAL GRID's consent.

ARTICLE 7 - TAXES

At all times during the Term of this Agreement, ESCO shall maintain current its Certificate of Authority.
- 7.2 Payment of Taxes.** In accordance with Section 3.5, the amount of sales and use taxes invoiced to Customers in connection with ESCO's portion of Billed Amounts will be provided in ESCO's Statements/Reports. ESCO shall be considered the vendor for purposes of liability for taxes related to Billed Amounts. Nothing in this Agreement shall be construed as imposing upon NATIONAL GRID the obligation of remitting to any federal, state, or local taxing authority those taxes that are the collection and remittance responsibility of ESCO with respect to any Billed Amounts or with respect to NATIONAL GRID's purchase of Accounts Receivable from ESCO. ESCO shall be liable for and shall pay all such taxes, and shall further indemnify, defend, and save harmless NATIONAL GRID from and against any and all liability for such taxes, and any interest or penalties thereon.

ARTICLE 8 - TERM OF AGREEMENT

- 8.1** The initial term of this Agreement ("Term") shall commence on either the (i) Effective Date or (ii) the date that ESCO submits the initial Billing Price Determinants to NATIONAL GRID, whichever is later, provided, however, that ESCO fulfills its condition precedents under Article 6 to NATIONAL GRID's satisfaction. If ESCO does not fulfill the obligations under Article 6 as determined by NATIONAL GRID, in its sole and absolute discretion, the Term of this Agreement shall not commence and no obligations will arise with respect to NATIONAL GRID and this Agreement shall be null and void except as otherwise set forth in this Section

8.1. The Term of this Agreement shall only commence in accordance with express terms and conditions of this Agreement, and continue in full force and effect for the duration of the Program, unless earlier terminated in accordance with Article 9.

- 9.2.3** The Defaulting Party's failure to perform or observe any other term, covenant or agreement contained in this Agreement on its part to be performed or observed if such failure shall remain unremedied for a period of 30 days after written notice thereof shall have been given to the Defaulting Party; or
- 9.2.4** The Defaulting Party's ceasing to do business for five or more days, or generally not paying its debts as such debts become due, or admitting in writing its inability to pay its debts generally, or making an assignment for the benefit of creditors; or the institution of any proceeding by or against the Defaulting Party seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property and, in the case of any such proceeding instituted against it (but not instituted by it), either such proceeding shall remain undismissed or unstayed for a period of 60 days, or any of the actions sought in such proceeding (including, without limitation, the entry of an order for relief against, or the appointment of a receiver, trustee, custodian or other similar official for, it or for any substantial part of its property) shall occur; or the Defaulting Party or any of its Subsidiaries or Affiliates shall take any corporate/organizational action to authorize any of the actions set forth or the appointment of a receiver, trustee or custodian over, or an execution, attachment or levy upon, all or any material part of the property of the Defaulting Party; or

9.2.5 Upon termination for default, the Terminating Party shall have the additional right to declare all amounts owing under this Agreement from the Defaulting Party to be immediately due and payable.

9.3 Additional NATIONAL GRID Rights. In addition to the termination rights set forth in Section 9.1 and 9.2 above, NATIONAL GRID has the following additional rights under the Agreement:

9.3.1 In the event of the issuance of an order by a court of competent jurisdiction staying the implementation of or overturning the orders of the PSC regarding the Program, NATIONAL GRID shall have the right to immediately terminate this Agreement;

9.3.2 In the event of ESCO's failure to comply with the Tariff, or with any tariffs on file with the FERC that may be applicable to the Program, or with any PSC requirements applicable to the Program, NATIONAL GRID shall have the right to exercise any such rights authorized and provided in the Tariff or tariffs or by any PSC requirements applicable to the Program including the right to immediately terminate this Agreement;

9.3.3 In the event of ESCO's failure to maintain in place at all times, any and all governmental approvals, if required, for ESCO to receive service from NATIONAL GRID under this Agreement or to sell the Energy Commodity to Customers, whether such approvals are issued by the PSC or other state or federal regulatory authority of competent jurisdiction, NATIONAL GRID shall have the right to immediately terminate this Agreement upon the expiration of any applicable cure period provided to ESCO by such state or regulatory authority; and

9.3.4 In the event of ESCO's breach of this Agreement, or any other written agreement with NATIONAL GRID, in connection with the Program, NATIONAL GRID shall have the right to terminate this Agreement in the event such breach continues uncured for ten days after written notice by NATIONAL GRID.

9.4 Payment Obligations. At the end of the Term or upon the earlier termination of this Agreement, whether for convenience or for default, the Parties shall remain responsible for their respective payment or reimbursement obligations of any and all sums due or owing under this Agreement. NATIONAL GRID shall have the right to set off such sums against amounts otherwise payable to ESCO in accordance with the provisions of this Agreement. In the event such sums exceed the amount of the Deposit, ESCO shall remit to NATIONAL GRID such additional amounts in accordance with the provisions under Article 3.

9.5 Cumulative Remedies. The rights and remedies set forth in this Article 9 are in addition to any and all rights allowed by this Agreement, the Tariff or any other applicable tariff, the UCC, UBP, the applicable laws of the State of New York, and any applicable rules and regulations thereunder or the common law. All rights and remedies shall be cumulative and may be exercised separately or concurrently.

ARTICLE 10 - DEPOSIT

10.1 Deposit. ESCO acknowledges, agrees and understands that payment for ESCO Charges in Article 3 to NATIONAL GRID shall be ESCO's sole responsibility. To ensure such payments, NATIONAL GRID shall, upon the occurrence of any Event of Default, withhold from sums payable to ESCO under this Agreement, or require an immediate payment from ESCO of, a Deposit equal to 5% of the total sums received by ESCO under this Agreement during the preceding 180-day period. The Deposit shall be used by NATIONAL GRID to offset ESCO Charges and any other sums or amounts due or owing by ESCO under this Agreement. After 90 days following the payment of the Deposit, NATIONAL GRID will re-examine the security amount and make such adjustments as NATIONAL GRID estimates may be necessary to satisfy the aforementioned charges attributable to ESCO on the same and consistent method as NATIONAL GRID determines such charges for all energy services companies participating in the Program. At the end of six months from the expiration or termination date of the Agreement, NATIONAL GRID will return the unused portion of the Deposit to ESCO except those sums subject to payment arrangements required by either the laws of the state of New York or any governmental authority, including the PSC. NATIONAL GRID shall pay interest on the unused portion of the Deposit at the variable rate per annum equal to the "prime rate" quoted in the "Money Rates" section of the Wall Street Journal from time to time minus 1%.

10.2 No Waiver. Notwithstanding the foregoing, the deposit of such amounts does not relieve or waive ESCO's responsibility and obligation to pay its obligations to NATIONAL GRID including, without limitation, ESCO Charges, and other sums due or owing by ESCO under this Agreement.

ARTICLE 11 - FORCE MAJEURE

11.1 Any delays in or failure of performance by the Parties, other than the payment of monies, shall not constitute a Default or Event of Default and shall be excused under this Agreement, if and to the extent such delays or failures of performance are caused by occurrences that are both: (1) beyond the reasonable control of the Parties, including, but not limited to, acts of God, compliance with any order or request of any governmental or judicial authority, compliance with NATIONAL GRID's public service obligations, riots or strikes or other concerted acts of workers, storms, fires, floods, and accidents; and (2) beyond the ability of the Parties to prevent, by the exercise of reasonable diligence. ESCO understands and agrees that NATIONAL GRID shall have no obligation to ESCO to add personnel, equipment, or facilities in order to perform any activities under this Agreement.

ARTICLE 12 - LIMITATION OF LIABILITY

12.1 Liability Limitations. Except for NATIONAL GRID's obligation to pay the Accounts Receivable Purchase Price in respect of Accounts Receivable purchased by NATIONAL GRID from time to time pursuant to Section 3.1 and its obligations under Section 4.1.2, NATIONAL GRID's total cumulative liability to ESCO for all claims of any kind, whether based upon

contract, tort (including negligence and strict liability) or otherwise, for any loss, injury, or damage connected with, or resulting from, this Agreement or any acts or omissions of NATIONAL GRID in connection with this Agreement or its activities hereunder, shall in no case exceed \$10,000 in the aggregate. In no event shall NATIONAL GRID be liable to ESCO for any special, indirect, incidental, penal, punitive or consequential damage of any kind, including, but not limited to, lost profits or revenues and expenses involving cost of capital.

12.2 Survival. The provisions of this Article 12 shall survive the expiration, cancellation, or termination of this Agreement. As of the expiration of this Agreement or, if earlier, its termination, the Parties shall no longer be bound by the terms and provisions hereof, except (a) to the extent necessary to enforce the rights and obligations of the Parties arising under this Agreement before such expiration or termination or (b) such terms and provisions that expressly or by their operation survive the termination or expiration of this Agreement.

ARTICLE 13 - INDEMNIFICATION

13.1 Scope. ESCO, to the fullest extent of the law, shall indemnify, defend, and save harmless and shall reimburse NATIONAL GRID, and its Representatives, from and against any and all losses, damages, liabilities, obligations, judgments, orders, writs, injunctions, decrees, fines, penalties, taxes, costs, suits, charges, expenses (including attorneys' fees), claims, investigations, proceedings, or causes of action (collectively "Losses"), which may at any time be imposed on, incurred by or asserted against NATIONAL GRID by third parties (including Customers) that are directly or indirectly caused by, arise out of or under, associated with, incident to or in connection with this Agreement including but not limited to any of the following: (i) ESCO's acts or omissions regarding the Accounts Receivable or Billing Price Determinants; (ii) ESCO's failure to remit to the appropriate taxing jurisdiction any sales and use taxes remitted to ESCO by NATIONAL GRID as provided under Article 7.2; (iii) any claim, demand, cause of action, litigation, suit, proceeding, hearing or investigation (collectively "Claims") by any Person for payments based upon any agreement or understanding alleged to have been made by such Person, directly or indirectly, with ESCO or any of its Representatives in connection with any of the transactions contemplated by this Agreement; (iv) any Claims with respect to the action or inaction of ESCO or its Representatives which is contrary to the requirements of this Agreement or the operating procedures of the Program; (v) any inaccuracy in any Document or affidavit provided to NATIONAL GRID under this Agreement or other breach of any representation or warranty or affidavit made by ESCO in this Agreement; (vi) any failure by ESCO to perform or comply, in whole or in part, with any covenant, agreement or provision of this Agreement; and (vii) all costs and expenses, including reasonable fees and expenses of counsel and other advisors, associated with any Losses incurred by NATIONAL GRID or its Representatives in connection with any Claims subject to indemnification rights as provided under this Article.

13.2 Defense. ESCO shall take action to defend, indemnify and hold NATIONAL GRID harmless against all Claims, actual or threatened, promptly, but in no event later than the service of a notice, summons, complaint, petition, or other service of process with respect to such Claims. ESCO shall defend all such Claims including, as applicable, the engagement of legal counsel, to respond to, defend, or settle, or compromise any claim or threatened claim.

13.3 Enforcement. ESCO shall pay any and all costs and expenses (including reasonable attorneys' fees) incurred by NATIONAL GRID to enforce the provisions of this Article 13.

ARTICLE 14 – MISCELLANEOUS

14.1 Entire Agreement / Integration / Merger / Survivability. This Agreement, as may be amended in accordance with Article 14.4, constitutes and expresses the entire understanding between the Parties with respect to the subject matter hereof. The Parties agree that there are no understandings, agreements, or representations, expressed or implied, other than those expressed herein. This Agreement supersedes and merges all prior and contemporaneous agreements, discussions, understandings, inducements, or conditions, whether expressed or implied, written or oral. This Agreement shall not merge with or be terminated or suspended by any future agreement between the Parties which does not specifically and in writing so provide. Upon execution of this Agreement by the Parties, except as otherwise provided in this Agreement, the Parties shall no longer be bound by the terms and provisions of any previous definitive billing service agreements between the Parties and such agreements shall be terminated and superseded by this Agreement except for such terms and provisions that expressly or by their operation survive the termination or expiration of such definitive billing services agreement. ESCO, to the fullest extent of the law, shall indemnify and hold NATIONAL GRID harmless from any loss, damage or claim which may at any time be imposed on, incurred by or asserted against NATIONAL GRID by ESCO or any third parties (including Customers) that are directly or indirectly caused by, arise out of or under or are associated with, incident to or in connection with any assignment under this Section 14.5. Notwithstanding anything to the contrary herein, under no circumstances shall ESCO sell, assign, transfer, pledge or otherwise dispose of any of the Collateral.

- 14.11 Headings.** The headings contained in this Agreement are provided solely for the convenience of the Parties and shall neither expand nor restrict the rights and obligations created herein.
- 14.12 Conflict/Order of Precedence.** In the event of conflict between the terms of this Agreement as executed or amended and the provisions of the Tariff, UBP and HEFPA, including, without limitation, the definitions set forth in this Agreement, this Agreement will prevail except for NATIONAL GRID's modifications to the Tariff to reflect changes in the UBP and HEFPA. Such modifications may be implemented by NATIONAL GRID subject to the Commission's approval.

- 14.14 Additional Service(s) and Opt-In Programs.**

14.14.1 Additional Services.

In the event that ESCO requests additional service(s) from NATIONAL GRID that are not provided under this Agreement, NATIONAL GRID will provide ESCO with a price quote(s) for service(s) so requested. If ESCO accepts NATIONAL GRID's price quote(s) and NATIONAL GRID agrees to provide such service(s), then the associated prices for each service shall be more fully set forth on Attachment E, annexed hereto and made a part hereof.
