Program Details

Apply for a mail-in rebate from National Grid when you buy an eligible ENERGY STAR qualified refrigerator or freezer between January 1, 2013 and December 31, 2013.

ENERGY STAR qualified models consume less energy than standard models, reducing your related electricity usage and costs. Refrigerators and freezers that are certified as TopTen are the most energy-efficient models available in the current market. We offer an even larger rebate when you purchase a TopTen product. All TopTen products are ENERGY STAR qualified.

### Save money year after year

There are nearly 20 million refrigerators in the United States made before 1996. By replacing your old refrigerator with a new ENERGY STAR® qualified refrigerator, you can save from \$200 - \$1,100 on energy costs over its lifetime. Save even MORE with TopTen!

Did you know that ENERGY STAR® qualified refrigerators on the TopTen list will save you up to \$140 more than a typical ENERGY STAR qualified refrigerator? Refrigerators and freezers that are certified as TopTen are the most energy-efficient models available in the current market.

Refrigerators and freezers, in addition to many other product categories, are designated as TopTen by non-profit TopTen USA, an organization whose mission is to identify and publicize the most energy-efficient products available in an effort to make it easy for consumers to save energy and money.

TopTen updates its listing of certified products every four to six months. For a complete listing of TopTen certified products and to learn more, visit [www.TopTenUSA.org](http://www.TopTenUSA.org).

Getting rid of your old refrigerator or freezer? We'll recycle it for you, and even give you \$50. Call 1-877-545-4113 or visit [www.nationalgridus.com/ri-recycle](http://www.nationalgridus.com/ri-recycle) to schedule a pick-up of your old refrigerator or freezer. Additional eligibility restrictions apply; please call or visit our web site to learn more.

**Congratulations on your decision to buy an ENERGY STAR qualified refrigerator or freezer. It's good for you, your family, and the environment. Thank you!**

## Terms & Conditions

This rebate offer is available to all Rhode Island residential electric customers of National Grid and may be subject to change without prior notice. Valid for purchases made from January 1, 2013 to December 31, 2013. Rebate requests must be postmarked by January 31, 2014. Savings and energy efficiency experiences may vary. National Grid reserves the right to withdraw this offer without notice. Limit two rebates per Rhode Island residential electric account per calendar year. Eligible refrigerator or freezer must be installed in Rhode Island. Refrigerator and/or freezer must be 7.75 cubic feet or larger to be eligible. Excludes compact models. Call 1-877-886-2539 or visit [www.nationalgridus.com/ri-fridge](http://www.nationalgridus.com/ri-fridge) for a complete list of qualifying products and participating retailers. National Grid does not guarantee the product's performance, nor does it provide any other warranties, either expressed or implied. If a product you have purchased is defective, contact the retailer or manufacturer. National Grid reserves the right to conduct field inspections to verify installations. This rebate may not be combined with any other utility or energy efficiency service provider offer. This offer is void where prohibited, taxed, or otherwise restricted. Customers are responsible for any and all applicable sales tax. National Grid will not be responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates. Customer agrees that the Energy Efficiency Program Provider (EPPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EPPP with such further documentation as the EPPP may request to confirm the EPPP's ownership of such benefits. These programs are funded by the energy efficiency charge on all customers' gas and electric bills, in accordance with Rhode Island law.

Rebate paid in the form of a National Grid Visa Prepaid Card. National Grid Visa Prepaid Cards are issued by Citibank, N.A. pursuant to a license from Visa U.S.A. Inc. and managed by Citi Prepaid Services. Cards will not have cash access, can be used everywhere Visa debits cards are accepted and expire six (6) months from the card issuance date. Please allow 6-8 weeks for application processing.
