HERE WITH YOU. HERE FOR YOU.

Did you know a typical room air cleaner, operating continuously, uses approximately 60% more electricity than the power used by a new refrigerator! When purchasing a room air cleaner, look for an ENERGY STAR® qualified model. ENERGY STAR® qualified room air cleaners are 40% more energy efficient than standard models!

Follow these steps to participate

To receive your National Grid Visa® prepaid card as quickly as possible, submit your rebate online. Go to www.smartenergy-zone.com/nationalgridri to complete the online form.

Or, to apply for your rebate by mail, follow these simple steps:

1. Purchase an ENERGY STAR® qualified room air cleaner or purifier between January 1, 2013 and December 31, 2013 and install it in a Rhode Island residential property with an active residential meter using National Grid electric service.
2. Compile the following supporting documentation:
 - A copy of the first page of your most recent electric bill
 - A copy of your receipt reflecting the qualifying manufacturer, model, purchase date, purchase price and store name
3. Complete this rebate form accurately and legibly. Mail your completed application and supporting documentation by January 31, 2014.
4. Mail to: ENERGY STAR Room Air Cleaner Rebate (RI)
Offer# H045476
PO Box 130013
El Paso, TX 88513-0013

Your rebate will be issued as a Visa prepaid card. From the time the application is processed and approved, please allow 6–8 weeks for payment. Payment processing will take longer if information or documentation is missing from the application.

Program Details

Apply for a mail-in rebate of \$40 from National Grid when you buy an eligible ENERGY STAR qualified room air cleaner or purifier between January 1, 2013 and December 31, 2013.

This portable electric appliance removes many types of indoor pollutants from the air, including dust; tobacco smoke; biological contaminants such as pollen, mold and animal dander; and household products and pesticides.

ENERGY STAR qualified models consume less energy than standard models, reducing your related electricity usage and costs. ENERGY STAR qualified room air purifiers are 40% more energy efficient than standard models, saving you about \$45 annually on utility bills. These savings could add up to more than \$250 over the product's lifetime!

Congratulations on your decision to buy an ENERGY STAR qualified room air cleaner or purifier. It's good for you, your family, and the environment. Thank you!

Terms & Conditions

This rebate offer is available to Rhode Island residential electric customers of National Grid and may be subject to change without prior notice. Valid for purchases made from January 1, 2013 to December 31, 2013. Rebate requests must be postmarked by January 31, 2014. Savings and energy efficiency experiences may vary. National Grid reserves the right to withdraw this offer without notice. Limit two room air cleaner rebates per Rhode Island residential electric account per calendar year. Eligible room air cleaners must be installed in Rhode Island. National Grid does not guarantee the product's performance, nor does it provide any other warranties, either expressed or implied. If a product you have purchased is defective, contact the retailer or manufacturer. National Grid reserves the right to conduct field inspections to verify installations. This rebate may not be combined with any other utility or energy efficiency service provider offer. This offer is void where prohibited, taxed, or otherwise restricted. Customers are responsible for any and all applicable sales tax. National Grid will not be responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates. Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EEPP with such further documentation as the EEPP may request to confirm the EEPP's ownership of such benefits. These programs are funded by the energy efficiency charge on all customers' gas and electric bills, in accordance with Rhode Island law.

Rebate paid in the form of a National Grid Visa Prepaid Card. National Grid Visa Prepaid Cards are issued by Citibank, N.A. pursuant to a license from Visa U.S.A. Inc. and managed by Citi Prepaid Services. Cards will not have cash access, can be used everywhere Visa debits cards are accepted and expire six (6) months from the card issuance date. Please allow 6-8 weeks for application processing.
