The Practice of Drs. Joseph Finelli Jr. and Danielle M. Cunningham

The Practice of Drs. Joseph Finelli, Jr. and Danielle M. Cunningham specializes in a large range of oral and maxillofacial surgery, including wisdom teeth removal, pre-orthodontic procedures, routine and surgical extractions, biopsies and the diagnosis of oral conditions. Drs. Joseph Finelli, Jr. and Danielle M. Cunningham, along with their staff, pride themselves in providing their patients with the highest quality care in a comfortable, relaxed and friendly environment.

Now, in addition to providing their patients with the highest quality care, they are focusing on reducing energy use, lowering energy cost and conserving resources for everyone.

Project Summary

Drs. Joseph Finelli and Danielle M. Cunningham retained an energy audit from SmartWatt Energy, Inc., via National Grid's Small Business Energy Reduction Program, to conduct a full-building audit of all lighting systems in their practice in Camillus, NY, for potential energy-savings upgrades. The Doctors goals were to dramatically improve the quality and quantity of light, and to save money on energy costs.

Savings Summary

The Solution

Replacement of 91 lighting fixtures throughout the waiting area, basement, lab, recovery room, offices, restrooms and various other rooms.

The Result

Annual Energy Savings	\$1,284
Annual Displaced Energy	11,547 kWh
National Grid rebate	\$3,002
CO ₂ reduction	12,702 pounds
