# Save energy at home — residential gas rebate form

A photograph of a young Black couple smiling warmly at the camera. They are both wearing light blue shirts. The woman is in the foreground, and the man is slightly behind her, leaning in. They appear to be looking at something together, possibly a document or a screen, which is partially visible in the bottom right corner.

Save money, improve comfort and ensure a cleaner environment with energy savings offers for residential natural gas heating customers from National Grid.

- **High-Efficiency Heating Equipment**
- **Indirect Water Heater**
- **Programmable Thermostats**
- **Weather-Sensitive Boiler Reset Controls**

**Rebate reservation required before submitting this rebate application.**

**Follow these steps to participate**

- 1) Consult a qualified licensed heating contractor or plumber to obtain an estimate.
- 2) Go to [www.smartenergy-zone.com/nationalgridny](http://www.smartenergy-zone.com/nationalgridny) to view available funds and to complete the online reservation form. Customers who do not have online access must call **1-877-316-9491** to reserve funding. This will reserve funding for your anticipated rebate. You will receive confirmation of your reservation via a Web Submission ID. (In order to receive a rebate it is required that you obtain a Web Submission ID by 12/31/13).
- 3) Complete this application and mail it in within 60 days of rebate reservation with:
  - a) A copy of the equipment's Air-Conditioning, Heating and Refrigeration Institute (AHRI) certificate (if applying for a boiler or a furnace rebate). Download a certificate from [www.ahridirectory.org](http://www.ahridirectory.org) or ask your contractor for one.
  - b) A copy of your dated invoice.

**Please make sure your invoice includes:**

- The complete equipment make and model number(s)
- Total installed cost
- Contractor name and address
- Indicate "payment made in full" or "zero balance"

4) Mail to: New York High-Efficiency Heating Equipment Rebate (NYC)  
 Offer# H045484  
 PO Box 130013  
 El Paso, TX 88513-0013

Equipment must be installed from 1/1/13 to 12/31/13 and rebate application must be postmarked by 12/31/13 to be eligible for qualified rebate(s) contingent upon availability of funds. Rebate form and required documentation must be postmarked within 60 days of rebate reservation request or by 12/31/2013, whichever comes first. One account number per form. Some restrictions may apply. Rebate offers are subject to change without notice and the program may be terminated due to funding constraints at any time. New York City offer available to customers that reside in Queens, Brooklyn and Staten Island where natural gas is available. Rockaway Peninsula residents receive rebates under the Long Island program. National Grid high-efficiency equipment rebates are available for both existing gas heating and oil to gas conversion customers, regardless of equipment manufacturer.

## Terms and Conditions

- 1. Rebates** - Subject to these Terms and Conditions, this program is offered by KeySpan Gas d/b/a National Grid ("the Company" or "National Grid"). The Company, through its contractual vendor, Helgeson Enterprises (the "Vendor"), will pay rebates to eligible customers in the Company's Service Territory, for the purchase and installation of the equipment/products described in this literature and within this application.
- 2. Customer Eligibility** - Rebate programs are available to existing National Grid gas heating customers and customers that convert from oil to gas heat. Long Island offer available to customers that reside in Nassau/Suffolk counties and the Rockaway Peninsula where natural gas is available. Some restrictions may apply. Rebate offers are subject to change without notice and the program may be terminated at any time due to funding constraints. Check [www.nationalgridus.com/energyefficiencyservices](http://www.nationalgridus.com/energyefficiencyservices) frequently for program updates or installation extensions. Customers are not eligible to receive financial incentives/rebates for the same eligible measure from NYSERDA and National Grid.
- 3. Program Length** - New equipment installed from 1/1/13 to 12/31/13 with a rebate application postmarked by 12/31/13 is eligible contingent upon availability of funds. It must have been new equipment installed at the installation address listed on this application and the required documentation listed must be postmarked within 60 days of rebate reservation request or by 12/31/2013, whichever comes first. It is required that you reserve your rebate funding using the online rebate reservation system at [www.smartenergy-zone.com/nationalgridny](http://www.smartenergy-zone.com/nationalgridny) by 12/31/13. Residential customers that do not have online access must call 1-877-316-9491 to obtain a Web Submission ID number.
- 4. Post-Installation Work Verification** - The Company reserves the right to perform a verification of the specified installation. If the Company and/or Vendor determines that the equipment was not installed in a manner that is consistent with program guidelines, the Company and/or Vendor may require that the installation be modified before making any rebate payments. The cost of such modifications is the responsibility of the customer.
- 5. Energy Use Information** - I hereby authorize the Company to release my energy use information to Energy Efficiency Program Sponsors (EEPS) and System Benefit Charge (SBC) program administrators and/or its designee. I understand that such information will be kept confidential and used only for the purpose of determining program eligibility and energy savings.
- 6. Installation Requirements** - All installations of heating and water heating equipment and boiler reset controls must be completed in conformance with state and local code requirements by qualified contractors.
- 7. Proof of Proper Installation** - As part of his/her application, the Customer is required to submit dated copies of all paid invoices documenting the installation (including manufacturer name, model number and total installed costs,) which reflect the actual cost of purchasing and installing the equipment.
- 8. Indemnification** - Customer shall defend, indemnify and hold harmless the Company and its officers, directors, employees, agents, servants and assigns from and against any and all losses, claims, demands and/or liability for damage to property, injury or death of any person, or any other liability incurred by the Company, including all expenses, legal or otherwise, arising out of or related to the equipment or installation, except to the extent attributable to the negligence of Company. In no event shall Company's liability to Customer exceed the rebate amounts.
- 9. Limited Scope Review** - The scope of review by the Company and the Vendor and their Inspector of the installation of the equipment is solely to determine whether rebates are payable. It does not include any kind of safety or code review and should not be relied upon as one.
- 10. Rebate Amounts** - The Company will provide rebates for new, qualifying heating, water heating, thermostat or boiler reset control equipment, up to rebate amount indicated in the program literature and within this application. Rebates cannot exceed the purchase price of the equipment.
- 11. Payment** - The Company, through the Vendor, expects to make rebate payments to eligible customers within 6-8 weeks of a satisfactory work verification. The customer must refund any rebate made to the extent the contractor or equipment does not satisfy program requirements.
- 12. No Warranties** - The Company and the Vendor do not endorse, guarantee or warrant any particular contractor, manufacturer or product installation. The Company and the Vendor do not make any representation of any kind regarding the results to be achieved by the equipment or the adequacy or safety of such equipment.
- 13. Changes in the Program** - Equipment Incentive Program/Tax Liability Conditions and details of the program are subject to change without prior notice and rebate offers may increase or decrease over time. The Company reserves the right to modify or terminate the program without notice. Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes. The Company is not responsible for any tax liability which may be imposed as a result of receipt of the rebate by the Customer.
- 14. Contractor Insurance** - The Company is not responsible for any damage that may be caused by or arise out of an installation of any equipment. The customer is responsible for selecting contractors who are qualified and carry adequate insurance coverage.
- 15. Eligible Measures** - Only measures included on this application are eligible for rebates. The company will not provide rebate payments for non-eligible equipment, substitutions or used equipment. The Company has the right to reject any rebate application with ineligible equipment not indicated on this form.
- 16. Payments Assignable to a Third Party** - (a) The Customer may request that the incentive be paid directly to a third party by so indicating in the Program application. Notification of third-party payment will be sent to the Customer upon submission of the Program application for the purpose of Customer confirmation. (b) If no payment choice is made, the Company will send the incentive payment directly to the Customer at the address indicated in the Program application.
