This program is sponsored by National Grid. You must be a Rhode Island residential electric customer of National Grid to qualify for the offer contained within this form. This rebate offer is available to all Rhode Island residential electric customers of National Grid and may be subject to change without prior notice. This rebate may not be combined with any other National Grid offer. National Grid reserves the right to conduct field inspections to verify installations. Limitation of liability: National Grid does not guarantee the performance of installed equipment expressly or implicitly. Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EEPP with such further documentation as the EEPP may request to confirm the EEPP's ownership of such benefits.
