# Save year after year.

High-efficiency refrigerators consume less energy than standard models, reducing your related electricity usage and costs. By replacing your old refrigerator with a new high-efficiency model, you can save from \$200 to \$1,100 on energy costs over its lifetime.

#### **ENERGY STAR Most Efficient**

The Environmental Protection Agency (EPA) recently introduced ENERGY STAR Most Efficient, a new distinction that recognizes products that deliver cutting edge energy efficiency along with the latest in technological innovation. Visit www.energystar.gov/mostefficient.

### **Refrigerator Recycling**

We'll recycle your old refrigerator for you, and give you **\$50**! Call **1-877-545-4113** or visit **www.ngrid.com/rirecycle** to schedule a free pick-up of your old, working refrigerator.

This rebate offer is available to all Rhode Island residential electric customers of National Grid and may be subject to change/withdrawal without prior notice. This rebate may not be combined with any other offer. Savings and energy efficiency experiences may vary. National Grid does not guarantee the product's performance, nor does it provide any other warranties, either expressed or implied. If a product you have purchased is defective, contact the retailer or manufacturer. National Grid reserves the right to conduct field inspections to verify installations. This offer is void where prohibited, taxed, or otherwise restricted. Customers are responsible for any and all applicable sales tax. National Grid will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates. These programs are funded by the energy efficiency charge on all customers' gas and electric bills, in accordance with Rhode Island law. Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EEPP with such further documentation as the EEPP may request to confirm the EEPP's ownership of such benefits. Rebate paid in the form of a National Grid Visa Prepaid Card. The Visa Prepaid Card is not redeemable for cash or usable at any ATM.

Terms and Conditions apply to the card. The expiration date is printed on the front of the card. Card is valid through the last day of the month. You will not have access to the funds after expiration. Your card is issued by The Bancorp Bank®, Member FDIC, pursuant to a license from Visa U.S.A. Inc. Cards can be used at any merchants that accept Visa debit cards within the United States and US Territories. National Grid reserves the right to substitute a check of equal value in lieu
