Acceptance of Terms

Work Completion and Rebate Validation.

I hereby affirm the above energy efficiency equipment has been installed. I acknowledge that all work is subject to on-site work verification and inspection as may be required by state and local law and by National Grid. I am aware of and agree to the Terms & Conditions stated on the reverse side of this application and am attaching copies of itemized proofs of purchase and invoices for the installation performed. I hereby authorize the Company to release my energy use information to Energy Efficiency Program Sponsors and System Benefit Charge (SBC) program administrators and/or its designee, and I understand that such information will be kept confidential and used only for the purposes of program evaluation and determining eligibility and energy savings.

CUSTOMER SIGNATURE _____ DATE _____

Equipment installed between 1/1/13 to 12/31/13 is eligible. Rebate form and required documentation must be postmarked by 12/31/13. One account number per form. Some restrictions may apply. Rebate offers are subject to change without notice and the program may be terminated at any time due to funding constraints.

Terms and Conditions

1. **Rebates** - Subject to these Terms and Conditions, this program is offered by KeySpan Gas d/b/a National Grid (“the Company” or “National Grid”). The Company, through its contractual vendor, Helgeson Enterprises (the “Vendor”), will pay rebates to eligible customers in the Company’s Service Territory, for the purchase and installation of the equipment/products described in this literature and within this application.
2. **Customer Eligibility** - Rebate programs are available to existing National Grid gas heating customers and customers who convert from oil to gas heat. Long Island offer available to customers who reside in Nassau/Suffolk counties and the Rockaway Peninsula where natural gas is available. Some restrictions may apply. Rebate offers are subject to change without notice and the program may be terminated at any time due to funding constraints. Check www.nationalgridus.com/energyefficiencyservices frequently for program updates or installation extensions. Customers are not eligible to receive financial incentives/rebates for the same eligible measure from NYSERDA and National Grid.
3. **Program Length** - New equipment installed between 1/1/13 to and 12/31/13 with a rebate application postmarked by 12/31/13 is eligible contingent upon availability of funds. It must have been new equipment installed at the installation address listed on this application and the required documentation listed must be postmarked by 12/31/2013. Residential customers who do not have online access must call 1-877-316-9491.
4. **Post-Installation Work Verification** - The Company reserves the right to perform a verification of the specified installation. If the Company and/or Vendor determines that the equipment was not installed in a manner that is consistent with program guidelines, the Company and/or Vendor may require that the installation be modified before making any rebate payments. The cost of such modifications is the responsibility of the customer.
5. **Energy Use Information** - I hereby authorize the Company to release my energy use information to Energy Efficiency Program Sponsors (EEPS) and System Benefit Charge (SBC) program administrators and/or its designee. I understand that such information will be kept confidential and used only for the purpose of determining program eligibility and energy savings.
6. **Installation Requirements** - Installations must comply with applicable laws and code requirements. 7-day programmable thermostats can be customer-installed or installed by a qualified contractor.
7. **Proof of Proper Installation** - As part of his/her application, the Customer is required to submit dated copies of all paid invoices documenting the installation (including all materials, labor and equipment invoices) which reflect the actual cost of purchasing and installing the equipment. If label is unavailable, manufacturer specification sheet with model number matching invoice may be substituted.
8. **Indemnification** - Customer shall defend, indemnify and hold harmless the Company and its officers, directors, employees, agents, servants and assigns from and against any and all losses, claims, demands and/or liability for damage to property, injury or death of any person, or any other liability incurred by the Company, including all expenses, legal or otherwise, arising out of or related to the equipment or installation, except to the extent attributable to the negligence of Company. In no event shall Company’s liability to Customer exceed the rebate amounts.
9. **Limited Scope Review** - The scope of review by the Company and the Vendor and their Inspector of the installation of the equipment is solely to determine whether rebates are payable. It does not include any kind of safety or code review and should not be relied upon as one.
10. **Rebate Amounts** - The Company will provide rebates for up to two (2) new thermostats and rebates cannot exceed the purchase price of the equipment.
11. **No Warranties** - The Company and the Vendor do not endorse, guarantee or warrant any particular contractor, manufacturer or product installation. The Company and the Vendor do not make any representation of any kind regarding the results to be achieved by the equipment or the adequacy or safety of such equipment.
12. **Changes in the Program** - Equipment Incentive Program/Tax Liability Conditions and details of the program are subject to change without prior notice and rebate offers may increase or decrease over time. The Company reserves the right to modify or terminate the program without notice. Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes. The Company is not responsible for any tax liability which may be imposed as a result of receipt of the rebate by the Customer.
13. **Contractor Insurance** - The Company is not responsible for any damage that may be caused by or arise out of an installation of any equipment. The customer is responsible for selecting contractors who are qualified and carry adequate insurance coverage.
14. **Eligible Measures** - Only measures included on this application are eligible for rebates. The Company will not provide rebate payments for non-eligible equipment, substitutions or used equipment. The Company has the right to reject any rebate application with ineligible equipment not indicated on this form.
15. **Payments Assignable to a Third Party** - (a) The Customer may request that the incentive be paid directly to a third party by so indicating in the Program application. Notification of third-party payment will be sent to the Customer upon submission of the Program application for the purpose of Customer confirmation. (b) If no payment choice is made, the Company will send the incentive payment directly to the Customer at the address indicated in the Program application.
16. **Payment** - The Company, through the Vendor, expects to make rebate payments to eligible customers within 6-8 weeks of a satisfactory work verification. The customer must refund any rebate made to the extent the contractor or equipment does not satisfy program requirements.

National Grid is one of the largest investor-owned energy companies in the world. In the US, we serve nearly 5 million electric and 3.4 million gas customers in Massachusetts, New York and Rhode Island. Save energy and money with our award-winning efficiency programs.
