Owner Occupied Standard Loan, 1-4 Units	Up to \$10,000	No more than 7 years
---	----------------	----------------------

After a home energy assessment is performed, you will be provided with an application to complete for 0% Financing. Once the application is submitted, an EnergyWise loan administrator will perform an eligibility review, and issue a 0% Financing Authorization Form. You will NOT be able to apply for a loan with a Participating Lender before obtaining a 0% Financing Authorization Form. This prohibition does not include obtaining prequalification from a participating lender. You may obtain a loan prequalification before obtaining contractor proposals and applying for a loan. Review the 0% Financing Steps, Standards & Enrollment form for more details about the process and standards.

Note: All Credit Unions require you to become a member and maximum loan amounts and loan type can vary by lender.

To qualify for a loan, you must own a one-to-four unit family residence.
