C. Qualification of Seller:

For qualification requirements please refer to the Uniform Business Practices for Retail Access Section 3 - Creditworthiness.

D. Deposit Required for Electronic Data Interchange Testing:

To qualify to commence operations in the Company's service area, an applying ESCO must first successfully complete Electronic Data Interchange ("EDI") testing with both the Public Service Commission and the Company. Prior to beginning EDI testing with the Company, the applying ESCO will be required to post a cash deposit based on the level of testing required. The deposit required is as follows:

EDI Core Transactions only: \$ 5,000
EDI Core Transaction and Single Bill Testing: \$10,000

This deposit, with interest accrued at the same rate as customer deposits, will be refunded to the applying ESCO at the time the ESCO commences making retail sales of natural gas in the Company's service area. If, for any reason, the applying ESCO fails to commence such retail operations within three months of completing EDI testing, the deposit will be forfeited to the Company.
